

## About us

Heeley City Farm grew from a campaign by local people to develop a piece of waste land in 1981 to a multi faceted community organisation supporting 50 members of staff, hundreds of volunteers and offering work experience for disadvantaged young people and adults with learning difficulties.

Today it is a working farm, environmental enterprise, training centre and free visitor attraction.

We have:

- Animals - with small animal house
- Play area
- The regions only peat free Garden Centre
- Energy Centre - eco display centre
- Farm Kitchen - community cafe

The farm is open everyday from 9.30am - 4.30pm except Christmas and admission is free.

The farm also manages local food growing sites at Wortley Hall Walled Garden, Meersbrook Park Walled Garden, Firth Park Children's Centre and various other school and community settings.

**FREE ENTRY**  
to all events
